McLean County Nursing Home, Normal, IL "To Activity Planners: I would like to recommend Dr. Mike Lockett to you for dynamic and engaging programs for your facility/organization. Dr. Lockett has been presenting multi-faceted programs at McLean County Nursing Home for more than five years. Mike weaves stories, music, history and humor into his programs to keep his audiences engrossed in his presentations. In Dr. Lockett's most recent program: *Strange But True Civil War Stories*, Mike was dressed in an authentic Union uniform and brought replicas of everything a soldier would need on the battlefield during the Civil War. He brought his "strange but true" stories to life with facts, sound effects, and drama. All our residents and their guests were engrossed in the presentation. So, please call my friend Dr. Mike Lockett, when looking for a dynamic program with broad appeal." **Paula Morse, Activity Director**, May 7, 2015
